Pastor's Desk

This week is the last instalment in our series 'What Really Matters' from the book of Philippians with an overview based on this year's motto verse from chapter 1 verse 6;

"...being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus."

How often can our faith be described as confident? Rather all too often our faith is timid and uncertain because we're basing our confidence on ourselves rather than Christ. Paul doesn't say we can be confident because we know lots of stuff about God but rather, we can have confidence because of and through Jesus. Not only can we be confident, but we can be convinced of the reality of Jesus at work. This leads to faith which, instead of worrying about our own inabilities and failures, is reliant on the God of the universe who indwells us by His Spirit.

Church Gatherings:

Even though restrictions are beginning to ease across the country, please do make sure you book your place via our website www.bethelcoventry.org.uk every week. Following government guidance, we are able to gather as church together; please do ensure that you are wearing a mask indoors and try to leave as promptly as possible afterwards.

Church continues to look different with all the restrictions that we have had to put in place due to Coronavirus. Please bear with us as we try to make everything as accessible as possible. If you are unable to come along or feel more comfortable staying at home, then please do continue to engage with us online – everything we do will be live on Facebook. Here are the current restrictions that we have to adhere to in line with current advice from the government at the time of writing this:

- If you feel unwell or have been in contact with anyone in the last seven days who has been unwell please stay at home and engage with the online services;
- Due to reduced capacity if you wish to come along you must book a space online or notify one of the team if you cannot access online;
- We must maintain the 2-metre distancing;
- Masks or face coverings must always be worn while inside the church building;
- There are hand sanitising stations located around the building, please make use of these regularly or use your own;
- The church will be thoroughly cleaned in between gatherings;
- Congregational singing is not allowed at this time;
- There are separate entrance and exit doors and a one-way system;
- Refreshments will not be served;
- We can have preaching, plus someone singing to us - but any projected singing must be behind a screen with a mic - preachers can speak at normal conversational levels with a microphone;
- Toilet sanitisation facilities must be provided for individuals to use before and after they have used any facility;
- Chairs will be arranged in clusters of households - some 1's, 2's, 3's, 4's, 6's et al;
- Stewards will guide people to their seats;
- There will be an offering box near to the exit doors - but no baskets/plates will be 'passed round';
- The service will be somewhat shorter than we have been used to - 45-60 mins;
- All who attend will need to understand and adhere to social distancing rules;
- The service is being live streamed for those who still prefer to stay at home for the time being;
- There are personalised activity packs for children - that they can use each week and we are trying to have smaller chairs and tables for our younger children as well.

Please do speak to either Josh, or any of the leadership team or stewards, with your questions and ideas or comments - thank you for your understanding and patience during this difficult time!

Book Your Space:

Please continue to book your space to attend in-person services preferably online at least a couple of days in advance. For those of you who can't access the internet please message Josh Kindness if you wish to book your space for 20th & 27th June as Derek will be away.

Weekly messages:

We are still livestreaming our Sunday morning service each week at 10.30am. This can be accessed via the Bethel Church Facebook page. **It's easy to join in with any online sessions simply go to www.facebook.com/bethelchurchcoventry you don't even need a Facebook account. If you're unable to join in the live sessions then don't worry, just go to the 'Videos' section of the Bethel Facebook page and they are all saved there.** Please see separate notice with regards to how we can encourage those not online/connected.

Prayer & Praise:

- Please can we uplift Frank & Merci Pryor and Merci's family in the Philippines? Merci's sister, Suecia, sadly died this week of Covid aged 68 and her brother, Margarito, aged 64 is currently quarantining at home with pneumonia, awaiting the results of a Covid test. Pray for peace and comfort for those mourning and also healing for those still unwell.
- Please continue to pray for little Esme. She is doing so well considering everything she has been through and continues to amaze her parents and Karen and Gordon with her attitude and joy. Her latest brain scan reveals a further shrinking of her tumour and she continues with her chemotherapy; please pray that the Lord would do a work of healing in Esme but also that He would draw the rest of her family to Himself in the process.
- Continue to uplift your leadership team before the Lord. All of them do what they do because this is where God has placed them and called them to. Sometimes it can be lonely and burdensome – why not make time to encourage them, take them out for a coffee or invite their family over for dinner?
- Pray for our government and local leaders as they continue to make decisions that affect our everyday lives. Pray that the whole situation would take them to their knees, and they would see their need for a Saviour! Imagine if revival came to the heart of our government!
- Pray for wisdom as we look to open ministries in the coming weeks and months and that ultimately all we do would be focussed on making disciples of the King.
- With so much uncertainty still prevalent around us, pray that the peace of God which transcends all understanding would manifest itself in our lives and those around us.
- Continue to uplift those in our fellowship who are elderly and have ongoing health struggles; please do keep in touch with folk who have been unable to come along in person.

New series – The Church!

Starting next Sunday, 20th June, we are entering a new preaching series entitled The Church! We will be looking at Scripture together, both in the Old Testament and New to explore what church is and what it was meant to be. As God's people who are we and who should we be?

It is looking like it will be exciting and challenging as we seek to strip back the layers and discover what God's original plan and intention was for His bride.

Al Fresco Church Family Gathering – Sunday 27th June

As restrictions potentially ease further next month, we would like to have the opportunity to gather all together again, weather permitting, outside. We are planning to meet in Broomfield Park at the back of church, starting at our usual time of 10.30am. You will need to bring a camping/deck chair and/or picnic blankets to sit on. The plan is for this to be inclusive of all ages so please bring the whole family along; we'll have activities and games for everyone.

Afterwards we plan to all eat together so pack some food for your family and stay if you're able to for as long as you want into the afternoon.

Oasis Hub and Community Café - update

Oasis café is closed for the time being due to staffing. We will keep you posted as and when things are up and running again. Thank you.

Weekly Prayer Evening – Sundays 6.15pm

Every Sunday at 6.15pm, we meet on Zoom to pray together. This is a great opportunity to come together and pray to our amazing God. Please do come along if you are able. Zoom details are sent via the prayer chain emails.

New – Bethel podcasts!

We are starting to upload our sermons to Spotify!

The first one up is our motto service for the year and is available to listen to right now. You can also follow the podcast to get notifications when new sermons are uploaded.

We will be adding the other sermons from this year onto Spotify, YouTube and other streaming platforms (give Bethel Church Coventry a search on your chosen podcast service) so keep an eye out for those in the coming weeks. We hope you will enjoy them and that they will provide you with encouragement – go to your spotify account and search or click here to listen -

Cov365 – a year of prayer!

Worshipping and praying non-stop from the start to the end of Coventry City of Culture Year - every hour of the day, every day from May 15 2021 to May 14 2022! 24-7/365.

Whilst we're praying for lives, churches, the city etc. to be changed, our number one focus is the Lordship of Jesus Christ.

We believe the Holy Spirit is the initiator, the project manager, the organiser and the one who can piece together our humble offerings into something worthy of the Lord Jesus.

Hourly slots can be booked for private worship and prayer or open to others to join. Individuals, families, churches, prayer groups, life groups, friendship groups, Christian charities etc. all welcome. Different expressions lined up in a chain of unbroken offering to Jesus!

Book yours, your life group, your ministry team or family's prayer slot at the Cov365 website... www.cov365.co.uk It would be wonderful if we were able to join in with this great initiative.

Pastoral Disciple Making team

Whilst we are living through the Coronavirus restrictions and not all able to meet as a community on Sundays or at our life groups, Bethel has created a Pastoral Disciple Making team in order to maintain contact with those who do not attend a life group and therefore may not be in regular contact with others. A member of the PDM team will make regular contact with non-life group members either by phone, email or postcard to keep them up to date with what is going on in the Bethel community and to offer help and support where it is needed. This will continue during the restrictions and beyond where necessary so that no-one feels isolated or forgotten. Stay safe and well. If you know of anyone who may benefit from this and who church may not be aware of, please do let Karen Sprouse know:

Bethel Online & beyond!

These challenging days cause us to be inventive in the ways we gather and communicate. Please be on the lookout for various ways and means you can stay connected and help others to connect too:

- If you are on social media, sign up to the church Facebook page where regular updates and videos/messages will appear;
- Sign up to our daily info/prayer chain to receive email updates and links to videos etc. Email the prayer chain team on: prayerchain@bethelcoventry.org.uk;
- If you are a Life Group leader, keep connecting with your group members. Maybe form a WhatsApp group to exchange encouragements and ideas, or simply telephone or send a card to those without technology;
- Visit the church website to see ways in which you can carry on giving to the work amongst us: www.bethelcoventry.org.uk
- The Bethel News appears on the church website each week; keep checking in each week. If you know someone who would like a paper copy, let us know;
- Please adhere to the government guidelines for self-isolation and social distancing;
- If you feel unwell and are symptomatic, check the guidelines on the NHS website.

Life Group List

Please note the updated life group list. If you notice anything that's not right, please advise Gordon or Karen Sprouse and we will update it as soon as possible.

****Please do check with your life group leaders as to whether groups are continuing in a virtual setting during the current situation.****

If you are not part of a life group, please feel free to speak to Gordon, Karen or any of the house group leaders to find one that is right for you.
